Tips for grown-ups

- **Wobblin hides:** hide a card, your child finds it and says the number.
- **Show me:** you say a number, they find the card.
- **Quick look:** cover the numeral, flash the dots, ask how many.
- **In a line:** put cards 0 to 10 in order, then 11 to 20.
- **Memory:** print twice and play pairs.

Print on card, or laminate, so the cards last.
