TALK AND THINK

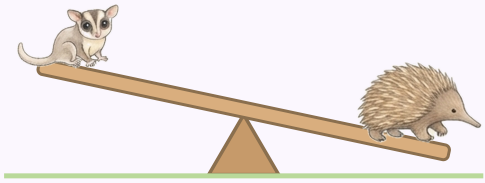

Seesaw Cards

Look at each seesaw. Which side went down? Talk about it together.

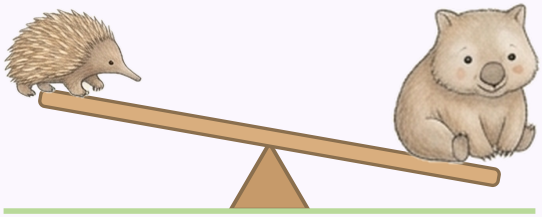

Who is heavier?

How do you know? Point to the side that went down.

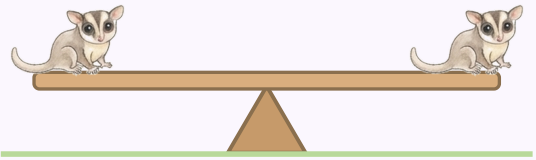

Who is heavier?

How do you know? Point to the side that went down.

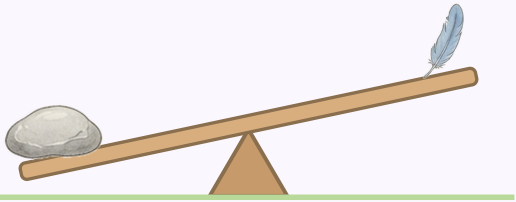

Which side went down?

Why did that side go down?

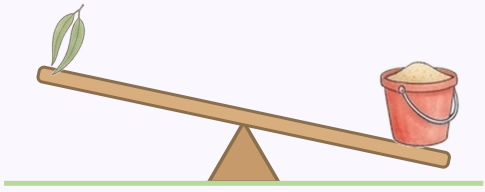

Both sides are level. Why?

What could make one side go down?

Which is lighter?

How do you know? Point to the side that went up.

Which is heavier?

How do you know? Point to the side that went down.
